

ACTA **O**ECONOMICA **P**RAGENSIA

**Acta Oeconomica Pragensia
is a peer-reviewed scientific journal
of the University of Economics,
Prague.**

The journal publishes results of applied economic research. It contains peer-reviewed papers applying both qualitative and quantitative methods of investigation, including contributions demonstrating possibilities of using exact methods to support decisions of different economic agents. In other sections, scientific communications, information from conferences and scholar meetings are published along with reviews of subject publications.

The journal AOP was founded in 1991. It is a peer-reviewed periodical; currently it comes out six times a year.

Information for Authors

The journal **ACTA OECONOMICA PRAGENSIA** publishes papers from different areas of applied economic research, scientific notices, information from conferences and scientific meetings and reviews of interesting publications.

It is assumed that the **paper submitted for publication** has not been submitted elsewhere and will not be submitted to any other publisher without the AOP publisher's consent.

A condition for the publication of a paper in the journal is a **licence agreement** signed by the author.

The contents of papers are evaluated by two independent reviewers at least and discussed by the Executive Board of the journal; the author(s) will be informed about the result in written. If the paper is not accepted, the editorial office may keep the hard copy. The legal claim to the publication of a contribution is not enforceable.

The **maximum size of articles, review studies and consultations** is 25 standard-format pages, *i.e.* 45 000 characters (including spaces), **of the other texts** six standard-format pages, *i.e.* 10 800 characters (including spaces). The **title** should not exceed 100 characters (including spaces).

The contributions are submitted in the **Czech, Slovak or English language** in one hard copy and in the identical electronic form in doc format (e-mail: novakma@vse.cz).

Paginate the text of the paper, please. Write the **footnotes** on the bottom edge of the page and number them consecutively. Number the **figures and graphs** and include them in the text. **References** should consist of the first element of the cited document (usually the author's surname) and the year of its publication; if a citation is given, indicate also the page.

The author should include at the end of the manuscript:

- a **list of references** according to the Czech standard in alphabetical order; an example is given here;
- **in the English language: title** of the contribution, **abstract** (articles max. 600 characters, other types of contributions max. 300 characters), **keywords** (3–6), **JEL classification**: www.aeaweb.org/journal/jel_class_system.html.

On a separate sheet the author submits to the editorial office his/her full name with academic titles, exact name and address of the institution, phone number and e-mail address.

Galley proofs should be sent back **within seven days** while it is not admissible to make such amendments that would influence the length of the text including footnotes.

Subscription

Orders for subscription should be sent to the editorial office. Individual issues are available in the University Bookshop, University of Economics, Prague (nám. W. Churchilla 4, 130 67 Praha 3), e-mail: rynda@vse.cz, www.eshopoeconomica.cz. Annual subscription rate for outside: CZK 420 + postal charges. Single issue price: CZK 73 + postal charges.
