

TIMETABLE FOR REGISTRATION AND COURSE ENROLMENT FOR THE WINTER SEMESTER 2026/2027

Registration – 15 June to 30 August 2026

Course registration takes place during this period.

Round 1 – Enrolment for registered Class I courses – 4 to 8 September 2026

Automatic enrolment in registered compulsory courses (Class I courses) will take place on Friday **4 September 2026**.

Class I modules: modules classified under the field/programme groups cP, fJP, fP, fJP2, fJPO, fJV, oJ1, oJ2, oJBP, oP, cTVS1, into the main specialisation groups cP, fP, oP, hP, oB1, hB1, oB2, hB2, and into the minor specialisation groups sP, sK, sZ, sR, sB1.

Students may enrol in Class I modules that were not included in the automated enrolment process via individual manual enrolment. Course enrolment will be available for individual groups of students, depending on their semester of study, during the periods specified in the table below (the earlier time stated applies to students who completed the course survey by **23:59 on 26 June 2026** at the latest; this applies to all enrolment rounds).

Students on Bachelor's or Master's programmes in	Start of individual manual enrolments for Round 1	End of individual manual enrolments for the first round
3rd semester and above	Monday 7 September 8:00/10:00	Tuesday 8 September 23:59
1st and 2nd semesters	Monday 7 September 12:00/14:00	

Round 2 – Enrolment for registered Class I and II modules – 9 to 11 September 2026

Automated enrolment for registered optional modules in programmes/fields of study/specialisations (Class II modules) will take place on Wednesday **9 September 2026**.

Class II courses: courses classified under the programme/field groups cEX1, cINF, cEXI, cME, cHU, cEK, cFU, cEKH, cOJA, fV, oJ, oV, oV2, into the main specialisation groups cJA2, cEXA, oV, hJ, hV, oV1, hV1, oV2, hV2, oV3, hV3, and into the minor specialisation groups sV, sV1, sV2, sV3.

Students may enrol in registered first- and second-class modules that were not enrolled for during the automated enrolment rounds in the 1st and 2nd rounds or during individual manual enrolment in the 1st round, via individual manual enrolment in the 2nd round. Enrolment will be available for individual groups of students, depending on their semester of study, during the periods specified in the table below.

Students on Bachelor's or Master's in	Start of individual manual enrolment for the second round	End of individual manual enrolments for the second round
3rd semester and above	Thursday 10 September 8.00 am/10.00 am	Friday 11 September, 23:59
1st and 2nd semesters	Thursday 10 September 12:00/14:00	

Round 3 – Enrolment in any (including unregistered) modules – 14 to 16 September 2026

Automatic enrolment for all registered courses will take place on Monday **14 September 2026**.

In this round, students may enrol in all courses, i.e. courses in classes I and II and groups cVB, cVM, cVV, cVOL, cVOR and cTVS2), whether registered or unregistered.

Enrolment will be available for individual groups of students, depending on their semester of study, during the periods set out in the table below

Students on Bachelor's or Master's in	Start of individual manual enrolments for Round 3	End of individual manual enrolments for the 3rd round
3rd and higher semesters	Tuesday 15 September 8:00/10:00	Wednesday 16 September, 23:59
1st and 2nd semesters	Tuesday 15 September 12:00/14:00	

Changes to students' timetables

Enrolment for further timetable adjustments will continue during the first week of term, from **21 September to 25 September 2026**.

In each enrolment round, **courses enrolled for via automated enrolment** may only be **cancelled** after other courses totalling at least the same number of credits have been enrolled for (the total number of credits from the enrolled courses must not fall below the number of credits from the courses enrolled for via automated enrolment!).
